10.00–14.99	\$190 (\$220)	\$160 (\$185)	\$110 (\$125)	\$635 (\$730)	\$635 (\$730)
15.00–19.99	\$190 (\$220)	\$160 (\$185)	\$110 (\$125)	\$635 (\$730)	\$635 (\$730)
20.00–39.99	\$220 (\$250)	\$220 (\$255)	\$130 (\$150)	\$745 (\$860)	\$745 (\$860)
40.00 & up	\$250 (\$300)	\$220 (\$255)	\$130 (\$150)	\$745 (\$860)	\$745 (\$860)

Notes and Additional Charges

- ▶ All fees are non-negotiable and due upon receipt of reports. All submissions incur a minimum fee of \$50 (\$60), even if the item is withdrawn prior to issuance of a report.
- ▶ If origin cannot be determined, only the minimum fee will be charged, i.e. \$160 (\$185) (for fancy sapphire, emerald or tourmaline) or \$230 (\$265) (for ruby or blue sapphire). In the case of large stones where the ID Report fee is more than the minimum Origin Report fee, the fee charged will be for that of the ID Report.
- ▶ Mounted blue sapphires submitted for origin determination are subject to an additional fee of \$75 (\$90).

Tanzanite Grading Report

Weight (ct)	Grading Report
0.01–2.00	\$65 (\$75)
2.00–5.00	\$85 (\$100)
5.00–10.00	\$115 (\$130)
10.00 & up	\$130 (\$150)

Tanzanite grading reports include photos and advanced testing fees

Other Colored Gemstone Services

Service	Description
Color analysis	For color analysis of padparadscha sapphire and paraiba tourmaline, an additional fee of \$60 (\$70) is charged.
Filler identification	\$220 (\$250) per hour for identification of filler substances within fissures (in emerald or other gems)
Beryllium (Be) treatment testing (LIBS)	Free when the testing is performed as part of an AGTA GTC Identification or Origin Report. \$50 (\$60) per stone when submitted only for beryllium analysis.
Photos on reports	Identification and Pearl Report fees do not include a photograph. Photo charges are \$20 (\$25) for a loose gemstone, \$30 (\$35) for rings, earrings, and pendants, \$50 (\$60) for a single strand or bracelet, and \$80 (\$90) for multi-strand necklaces or bracelets. Photos are included free-of-charge with all Origin Reports.
Custom photography	Digital images of your gemstone or jewelry article can be provided in .JPG or other format. \$100–200 (\$115–230); ask for a quote on submission.
Advanced testing	For the identification of rare and unusual gemstones a fee of \$100 (\$115) per hour is charged. For research using advanced instrumentation, an additional fee of \$50 (\$60) is charged. This additional charge is standard for testing all jadeite, opal and turquoise.
Portfolio reports	For an additional \$80 (\$95), have your report placed in a folder with a large photo of the item tested on the front.
Re-identification	50% of the original identification fee, with a minimum of \$60 (\$80) per report. Submissions must be supported by the original report and be within 12 months of the original report date.
Resubmission for origin following ID-only report	Origin Report fee, minus 50% of original ID fee; must be submitted within 12 months of the original report date.
Quartz batch testing	\$30 (\$35) per gemstone, \$150 (\$175) minimum.
Express surcharge	\$220 (\$255) (24 hours) \$160 (\$185) (48 hours).
Duplicates or reissued reports	\$35 (\$45).
